

OTHM Level 7 Certificate in Research Methods (RQF)

Overview

The OTHM Level 7 Certificate in Research Methods is specifically designed to develop a researcher's ability to prepare for different academic activities based on research through the design and development of their research proposal.

Learners will develop a fundamental understanding of practical, philosophical, and ethical concepts of research within the context of an academic environment. The course is accredited by UK OFQUAL and is delivered 100% online with support.

Duration and Delivery

This level 7 online course is designed to be completed over two months of full-time study. However, we accommodate for completely flexible delivery, so that students can schedule their learning around other commitments such as work or family. The qualification is delivered online through our Virtual Learning Environment. Our online tutor support is there to assist you throughout your studies.

Assessment and Verification

All units within this course are internally verified by our qualified assessors and externally verified by OTHM. This course is criterion-referenced, based on specific learning outcomes. To achieve a "PASS" for a unit, a student must complete the learning outcomes to meet the assessment criteria set by OTHM.

Equivalences

This course is based on the Regulated Qualifications Framework's (RQF's) equivalent to Master's degrees, which can be used to gain important knowledge while gaining credits, which can be put towards gaining a fast tracked master's degree at a University.

Eligibility Criteria

For entry in this course, learners must meet the following criteria:

- A UK level 6 diploma, an honours degree, or equivalent qualification.
- Mature learners are also advised to have management experience
- The learner should be 21 or older during enrollment.

Progression

Upon successful completion of this 100% accredited online course, learners will earn 20 credits at the Master's degree level. A learner can also use these credits to progress to further studies, including progressing towards an MBA top-up. Moreover, as this qualification is regulated and approved by OFQUAL (Office of the Qualifications and Examinations Regulation), professional institutes or employers also would usually recognize this qualification for Continuing Professional Development (CPD).
